**Instructions:** Public participation is a valued aspect of the Energy Commission review process. Your comments are invited and encouraged. Please make your comments concise by clearly identifying your concern(s) or issue(s). Written comments will be used in preparing workshop summaries. Additionally, written comments addressing issues in the Preliminary Staff Assessment (PSA) will be reflected in the Final Staff Assessment. **(Please note the page number(s) of the PSA, if known).** Mail your comments to Eileen Allen, Project Manager, 1516 Ninth Street, M.S. 15, Sacramento, CA 95814. If you need assistance with the comment form or have questions on the Energy Commission process, call the Public Advisor at 800-822-6228.
